

**L'ÉCOLE DE
DESIGN**
Nantes Atlantique

OUR PROGRAMS

2024-2025

DON'T IMAGINE THE FUTURE, JUST BUILD IT!

L'École de design Nantes Atlantique is among the best international design schools in the world. Recognized by the French Ministry of Higher Education, it offers various programs from undergraduate (*Bachelor's degree*) to postgraduate studies (*Master's degree*). The school has a unique vision, considering design as a strategic discipline for social, technological and environmental innovation. It has developed Design Labs combining teaching, experimental research and support to innovation.

L'École de design Nantes Atlantique is strongly connected with the professional world (*companies, public administrations, associations*) in its teaching approach. This solid link allows for the professionalization of future young graduates. It takes many forms: internships, apprenticeship contracts, work on real projects in partnership with companies or local authorities, lectures by professionals, conferences, and the presence of representatives from the business world on degree juries.

L'École de design Nantes Atlantique is located in Nantes, among the 10 biggest French cities, well recognized for its economic dynamism and vibrant cultural & artistic life. Nantes is a major destination for international students, as is France.

Each year, the school welcomes about 1800 students from all over the world, with more than 40 nationalities, in a brand new building located in the heart of the most creative district of the city. The school provides students with different services to facilitate their search for accommodation.

The building (*11600 m² on 5 levels*) includes a huge central agora, more than 700m² of manufacturing and prototyping areas, a learning lab, digital workshops and studios, class rooms and an auditorium.

« *The students are eager to discover the different workshops such as the spaces dedicated to ceramics, metalwork, wood or the digital and photo studios. It's a real pleasure to be able to work in an environment of this calibre.* »

L'École de design Nantes Atlantique has been awarded the Welcome to France label (Bienvenue en France), attesting to the quality of the welcome given to international students.

POSTGRADUATE STUDIES - MASTER'S LEVEL DEGREE

INTERNATIONAL DESIGN STRATEGY

This postgraduate program is specially tailored for international students who hold a Bachelor's degree in design or equivalent.

This postgraduate program in two years entirely taught in English encourages the exploration of French culture in an applied interdisciplinary context, and offers a great opportunity to carry out design projects in a multicultural context. It allows a good integration and a better approach of the **methodology** as taught at school through design practices.

It welcomes students from various nationalities and design backgrounds. It encourages a **cross-cultural** approach to design and collaborations that will enhance **the creativity** of the students.

Students will learn how to **manage** a project from the definition of the design problem to the final presentation in front of a client, organize their work and their team efficiently, and thus hone their skills through inspiring design projects. At the end of the program they will be able to help companies develop their **innovation** strategies in a **global world**. From design thinking to design doing.

The International Design Strategy programs offered by L'École de design Nantes Atlantique leads to the master's level degree (*Diplôme de design Bac +5*) certified by the French Ministry of Higher Education and the award of « Grade de master ».
